## PAF

From Wikipedia, the free encyclopedia

PAF may also stand for *Probably A Freshie*, *Phool Aur Fatte*, *Please Attack Fubu*, *Protest Against FRs*

**This Article does not make any sense.**  
Please stop reading it **right now**, and save some time

The Performing Arts Festival is the most highly competitive cultural showdown in the Universe. This, and a few occasional goof-ups can sometimes lead to it being confused with the Pakistan Air Force.

Every year, the PAF sees numerous students sacrificing their sleep, lectures, sweat, blood, sex (yes, a lot of guys often have to dress-up as girls, due to a shortage of girls' hostels on the IIT Bombay Campus. If you thought of a different connotation, see *Pervet*). Key aspects of a winning PAF include:-

- An OC who can single-handedly smoke away one third of the sutta budget
- An OC who can convince the GSec to then increase the sutta budget by one-third or better still, an OC who IS the GSec.
- Twenty dedicated freshies who 'willingly' slog day and night convinced that this is the only path to enlightenment
- An HR manager who can convince twenty such freshies that this is indeed the only path to enlightenment
- One person who can act, and twenty people who think they can act
- One person who can speak, and twenty people who think they can speak
- One person who can think, and twenty people who - um - never mind.

Often, PAFs try to include at least one of these aspects. Sometimes, they succeed.
